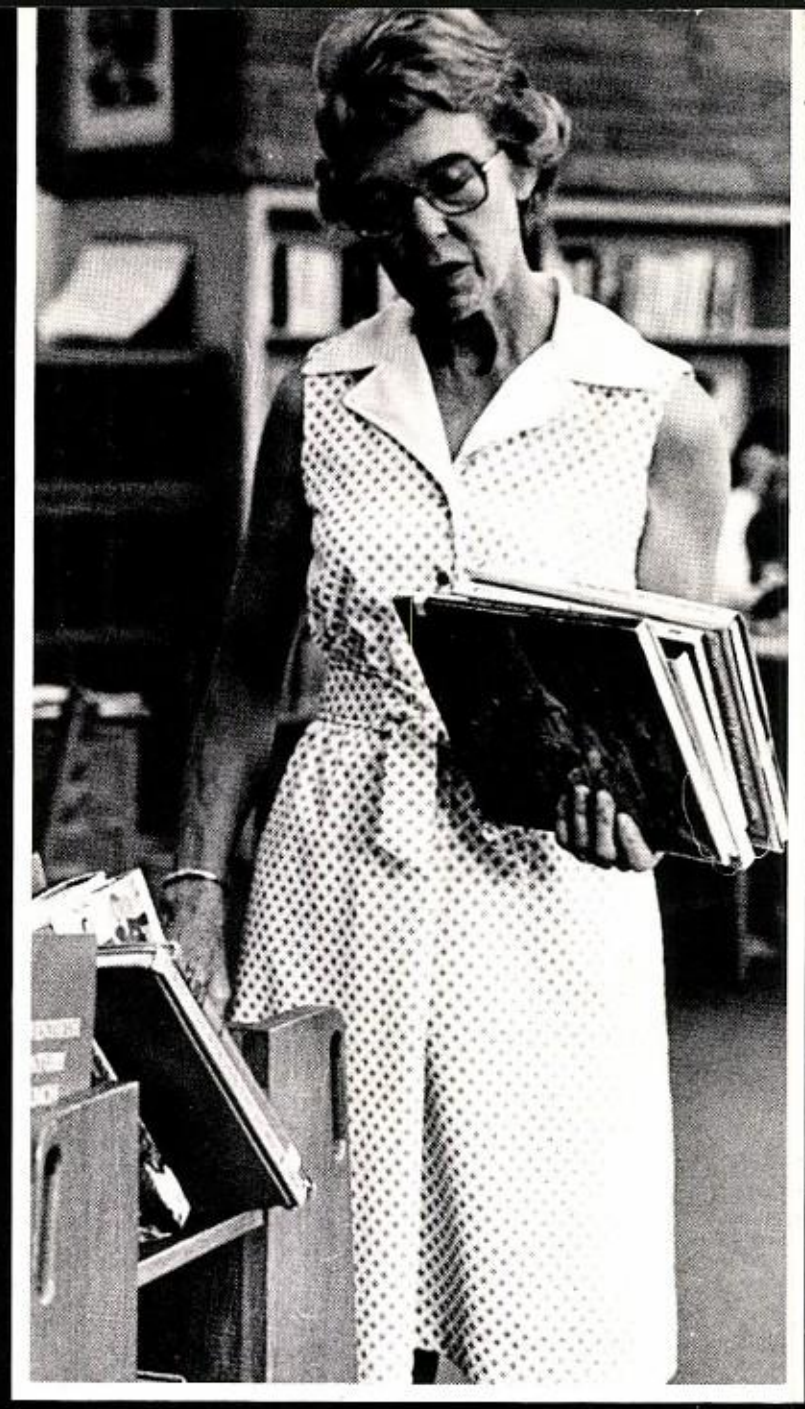
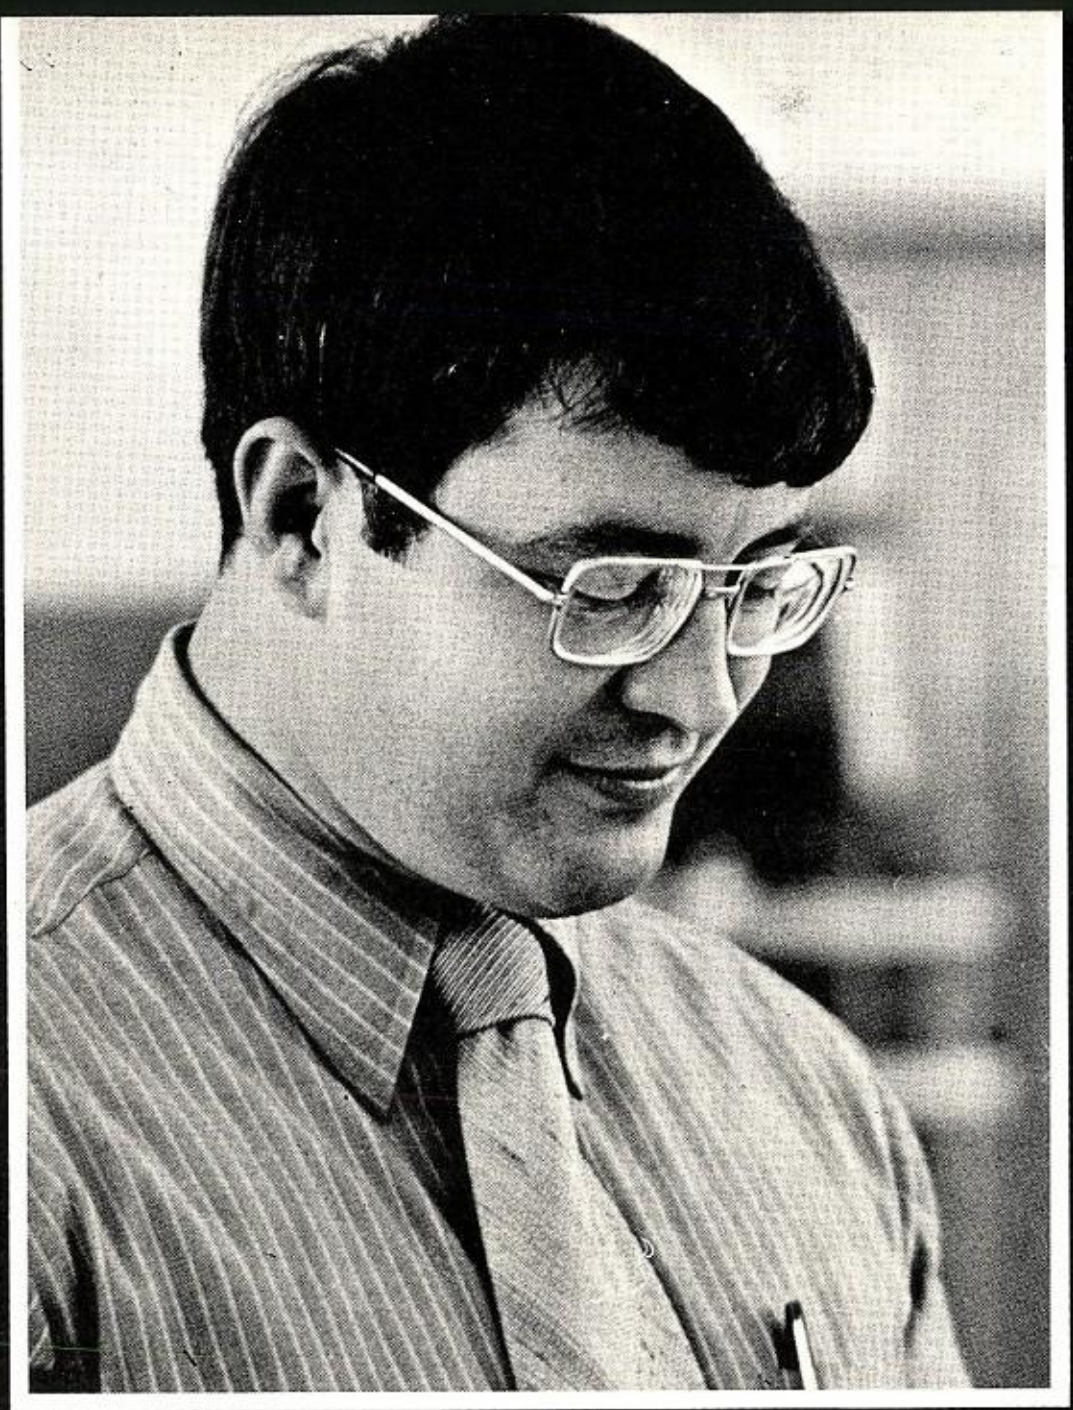
DEDICATION

This year, two individuals have been chosen for their dedicated service to Myers Park. Both of these faculty members have been and will remain a vital part of the school, its students, and its faculty. Thank you both.

Mrs. Dorothy MacGill
Mr. Joseph Peel



Mrs. Dorothy MacGill is not only one of our librarians, she is our media specialist. She not only helps teachers with audio-visual equipment, such as the video tape recorder, but she employs her electronic know-how to make minor but necessary repairs. She has also made our library a colorful and comfortable environment in which to study. In her eight years at Myers Park, Mrs. MacGill has taken on many extra duties in addition to her extremely busy one in the library. She has been a class advisor, and chairman of the Governing Board. This year, she donated her time to help host the Regional Debate Tournament and traveled to the State Tournament. Mrs. MacGill attended Miami University, the University of Florida, and Florida State. Perhaps the trait we will remember most about Mrs. MacGill is that she is the most tolerant on the library staff of the notorious and many times boisterous library lunch-bunch—especially on overcrowded rainy days! No matter what we remember Mrs. MacGill for, we will always think of her eagerness and zeal in helping students with research.



Mr. Peel has spent nine years at Myers Park, holding a variety of duties and occupations. He began in 1967 as a student teacher and stayed on as a German and Spanish teacher. Three years ago, Mr. Peel took over as assistant principal. To many, he is known as "Coach" Peel because he has served as a football and wrestling coach. He has also advised the Key Club and German Club and has served as a class advisor. Mr. Peel has attended Davidson, UNCC, the University of Georgia, and is completing his sixth year degree at UNC.

As assistant principal, Mr. Peel's duties range from counselor to hall monitor to making up each year's new curriculum to changing countless schedules. He also takes in many outside chores for which he receives no compensation.

One sight none of us will forget is Mr. Peel strolling around campus in bad weather. With his trusty umbrella and his tweed jacket, he resembles a Scottish landowner surveying his property. Mr. Peel is always strolling around campus with or without his umbrella and is ready to listen to and to help any student with a problem.

Everything has its season
Everything has its time
Show me a reason and I'll soon show you a rhyme
Cats sits on the window sill
Children fit in the show
Why do I feel I don't fit in anywhere I go.

Every man has his daydreams
Every man has his goal
People like the way dreams have of sticking to the soul
Thunder clouds have their lightning
Nightingales have their song
And don't you see I want my life to be something more than long.

So many men seem destined to settle for something small
But I won't rest until I know I'll have it all
So don't ask where I'm going
Just listen when I'm gone
And far away you'll hear me singing softly to the dawn.

Rivers belong where they can ramble
Eagles belong where they can fly
I've got to be where my spirit can run free
Got to find my corner of the sky.

High School Turnstile to Identity

Each of us seeks his own "corner". The interim at Myers Park is not merely a respite or abandonment preceding the rigid years of higher education, it is a turning point. You are experiencing a period in which YOU must begin to set goals for a separate identity. The aspirations you seek must be beneficial to your own lifestyle–but not to yours alone. YOU are a reflection of your environment. Share your ideals–

to EXPAND
to GROW
to INTERRELATE

IDENTITY . . .
a frightening word only if it is allowed to be. The manner in which you shape your identity is your choice. YOU must–

- have the courage and the freedom to be yourself
- cope with obstacles
- express your inner ideals
- take the challenge and strive for the utmost
- be content with your choice
- have the patience to watch your ideals mature
- prepare for opposition
- continue to seek
- inform the world that "I EXIST!"

The decision begins NOW . . .

Receiving, Guiding, Directing, Encouraging or Motivating,

Many are the times that the administration finds itself in the position to hand out lunch duty punishments to tardy students, suspending a student for continuous class cuts, or other deliberate disobedience of school rules.

Other times they find themselves listening to the numerous problems that students have. Though they are constantly disciplining students for misbehaving, they also encourage them.

During the three years that a student spends in high school, he will find that the administrators will offer him only the best advice, guidance and direction that is possible.

Creative Ways to Capture Student's Fancy and Interest

To be able to perform in any class, a student must be able to read, write and comprehend English. This makes English a necessary subject so that students can communicate and understand other subjects.

Different courses are offered in English; some are required. Business English, Modern Fiction, Mythology and Occupational English are among the electives.

This year Myers Park has a new teacher in the English department. She is Mrs. Lisa Guy. Mrs. Guy finds Myers Park's student body and faculty easy to get along with, and she is happy to be part of them.

Students Use the Library for Research And for Study

Students turn to the library in search of peace, calm and solitude. Two new additions have been added to the library this year. New French, German and Spanish magazines will give foreign language students a chance to put their knowledge to use.

Another new addition is the video tape recording system. The video system is an audio-visual aid. It allows a student to see and hear himself on a television-like monitor. Band students have used the video system to record concerts. Athletic teams have also used it. By recording games, it helps the team improve its plays.

Foreign magazines and the video system have added to the many resources available to all Myers Park students.

Students Learn New Ideas For Living In Resource Classes

Mrs. Ethel Alexander

Mrs. Audrey Oakes

Special resource classes are designed to strenghten weaker students in basic academic courses. Because these classes are smaller than most, these students receive a lot of personal attention from their instructors. This attention gives them the strong background that they will need to compete for jobs or any type of vocation.

Special resource classes are conducted in the best interest of the students. This course is structured to give students the academic courses along with the discipline and drive that will be required of them to function in today's society.

These special resource classes make it possible for all students to have a chance to be educated to the capacity of their desire intact with their ability.

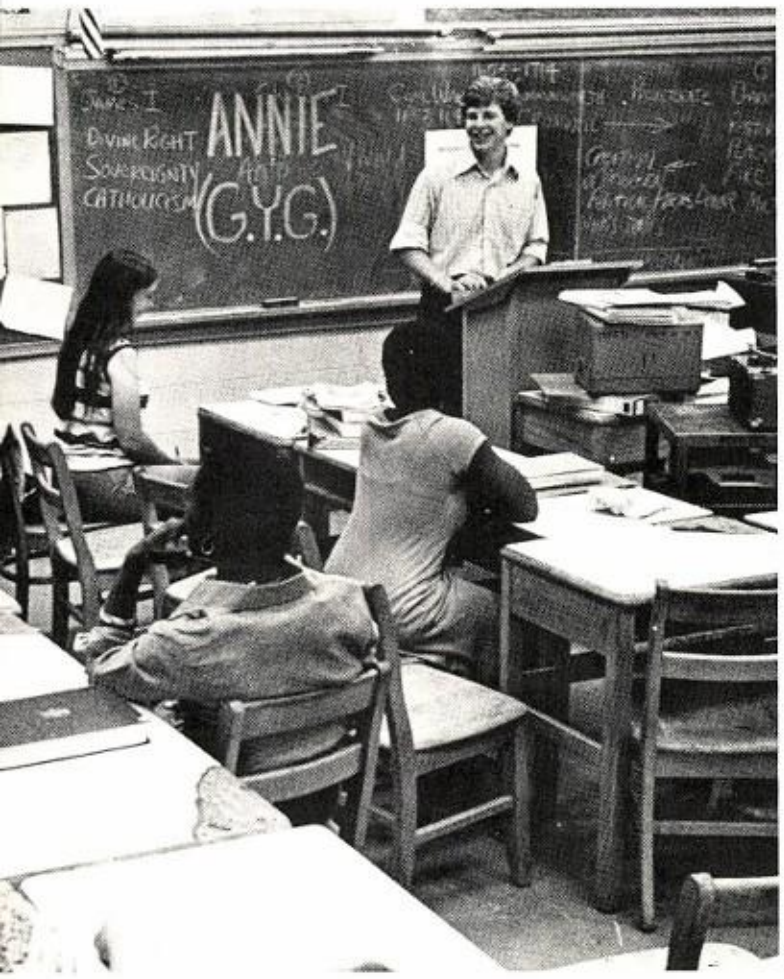
Ideas Come Together In MP's Student Government



1

Our student government has had a second successful year under the new constitution. The Student House and the Faculty House have worked hard to make the Governing Board what it should be.

Student House of Representatives is made up of delegates from each second period class. Bill Verch serves as the Speaker of the House, with Marshall Feimster and Angela Stafford as the Assistant Speakers. They are the House's representatives to the Governing Board. Sandy Robinson is the secretary.

The Governing Board has twelve delegates from the Faculty House, the three officers from the Student House, and three elected representatives from each class. Sophomore officials are DeeDee Owensby, Quinton Berry, and Leslie Surplus. Juniors are Gene Garrett, Steve Hepburg, and Kathy Cunningham. Mary Lou McMaster, the Board's chairman; Ken Roberts, the treasurer; and Helen Mackey represent the senior class. Mrs. Dorothy MacGill serves as vice chairman with Sue Copley as secretary.

1. Bill Verch, Speaker of the Student House of Representatives, puts the House's ideas before the Governing Board.

2. President of the Governing Board, Mary Lou McMaster calls a meeting to order.

3. Representatives of the Faculty House appear more or less present at a recent Governing Board meeting.

Honor Society Inducts Superlative Juniors and Seniors

The seniors wearing gold tassels on their caps at the graduation ceremony are members of the National Honor Society. These students have met high standards of citizenship, service, and most of all scholarship. Keeping at least a 3.7 grade average is required.

These gifted students make use of their talents by tutoring at elementary schools and Bethlehem Center. Banquets were also held throughout the year in the homes of members.

Alan Wolfe served as president; Nancy Grant, vice-president; Patty Stayer, secretary; Elizabeth Bradshaw, treasurer; and Mrs. Florence Sawyer, advisor.

Top Language Students Are Given Honored Recognition

1

This year, Myers Park has had many students who were outstanding in their foreign language classes. The students on this page were given the status of becoming members of their subject's honor society. Each year, the individual language teachers present to their top students a certificate stating their excellent performance. The language students are proud to have earned such honored evidence of their hard work.

The French students are rewarded by Mrs. Dorothy Stillwell, while Mr. Richard Cribbs recognizes his top German students. Mrs. Ann Partin is in charge of giving her outstanding students their awards. The teachers and the students feel these awards show a job well done.

"Let's make this year different." That was the goal of the twenty-member staff as they went about drawing layouts, alphabetizing student's names, and writing copy. Deadlines had to be met. Procrastinating staff members learned that 'putting off until tomorrow' was not always the best way of doing things. However they all worked together to get the 1975-76 MUSTANG finished and out to the students it represents by the end of summer.

The staff enjoyed each other's company not only in working times but also in times of leisure. They celebrated several holidays as well as going out to the Open Kitchen.

Myers Park's Horse Sense staff has really kept their reporting up-to-date this year. The members have done a lot of hard work to make our student newspaper informative and accurate concerning activities around the school and the community.

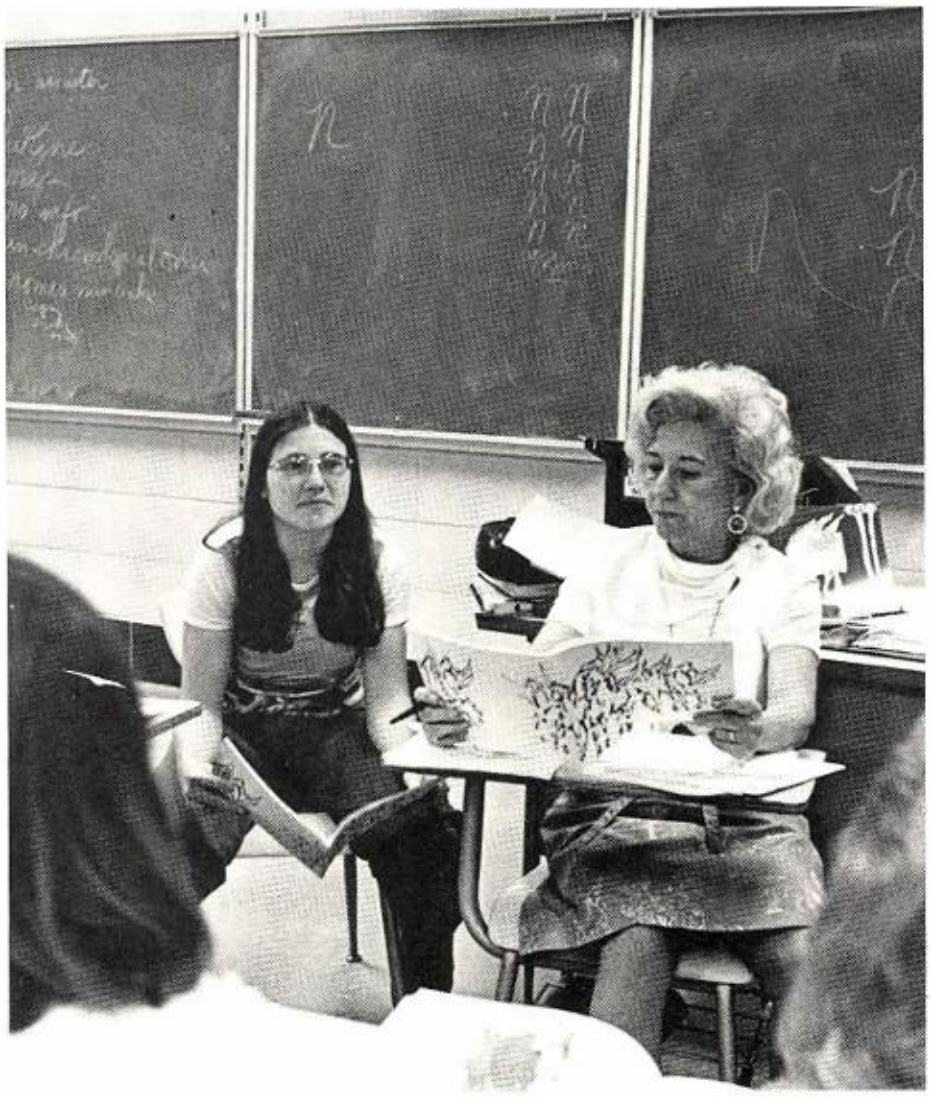
Horse Sense covers a lot of ground. Each issue includes editorials, sports coverage, and articles on the activities of clubs and organizations at Myers Park. The music and drama departments are also covered in their events along with the recognition of our talented students. Bob Zimmerman's comical flair for art adds an extra laugh or two to every issue.

There are four editors on the newspaper staff. Ken Roberts is head editor, followed by Pam Johnson and Donna Schmidt as news editors, with Lucy Ganzert editing sports. David Cockrell is business manager, and Paul Boyette is the advertising. The group meets fifth period in LA-24. Mrs. Betty Rice is their faculty advisor.

1. Jean Ward seems to really enjoy her work at the light machine as a *Horse Sense* staffer.

2. Editor Ken Roberts wears shades to protect himself from his own enlightening writings.

3. *Horse Sense* staff members Brian McNutt looks a bit incredulous over Ken Roberts' work.



Pegasus Recognizes the Efforts of Talented Students

Myers Park's annual literary publication has had another year of exciting student talent from which to chose. Pegasus is a joint effort by the English, graphics, and photography and art departments to represent as much of the year's student work as possible. This year the literary contributions are being handled by Mrs. Evelynn Stanton, while Mr. Bryon Baldwin submitted outstanding photography from the works of his students. Mr. Ray Clark, head of the graphics department, oversaw final construction and printing. Pegasus has come to be a true representation of student talent at Myers Park.

1. Mrs. Evelynn Stanton and Cheryl Wilson look for ideas for the '76 edition of *Pegasus.*

2. Volunteers meet during a free period with Mrs. Stanton to go over material for *Pegasus.*

3. Several members of the *Pegasus* staff look intent as they pore over the stacks of student contributions.

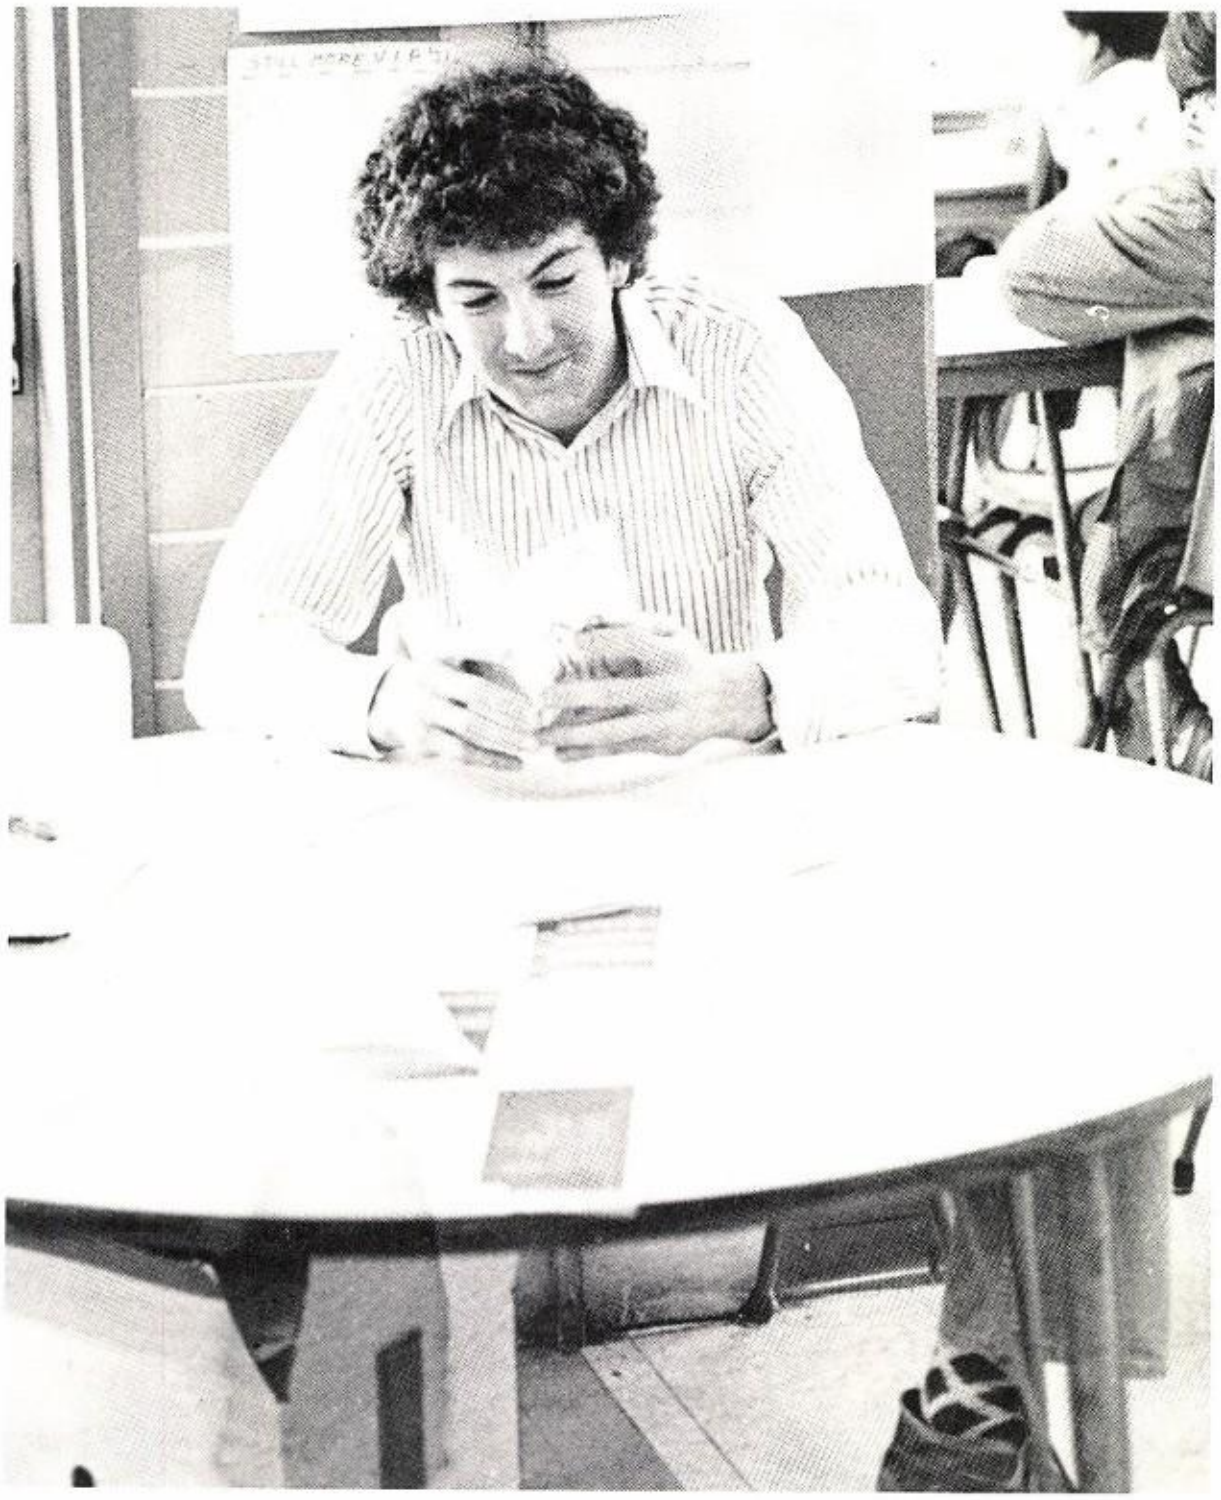
Red Cross Receives Service Club of the Year Award



2

Members of the Red Cross Club have completed several projects this year. They have been working hard to make their club an active one. Carol Fry, the club's president, says that the Red Cross is "a service club devoted to serving the community and school by sponsoring worthwhile projects." Their main activities have revolved around Hillcrest Manor Rest Home, which the members "adopted" at the first of the year. They also sold Hay Day tickets and collected toys for underprivile[illegible]d children.

Officers of the Red Cross keep the club active. Carol Fry is president and Cindy Blair serves as vice president. The treasurer is Jamie Coulter. The club has two secretaries. Tangela Reddick is the corresponding secretary and the recording secretary is Andrea Martin. The club's program director is Ann Hill. The members meet every Tuesday during second lunch in SC-2. This year the club had the distinction of winning the "Club of the Year" award.

They painted and placed trash cans around the campus in an attempt to brighten the school, gave the teachers a tea, and played Santa at Christmas by giving out candy in the cafeteria. For Valentine's Day the girls played Cupid by delivering carnations to happy students.

The group's goal of being of service to the school and community was realized through their various activities this year.

[1] Faculty Defeated Key Club on the Basketball Court

Once again the Key Club challenged the faculty in a game of donkey basketball. Laughter roared as frustrated players tried to get their donkeys to move in the right direction or even to move at all.

Throughout the year the Key Club also helped set up for Hay Day, sponsored a school picnic, sold stadium cushions and donated gifts and food to families during Thanksgiving and Christmas.

Officers for the Key Club were; Chip Hunter, president; Lane Adams, vice-president; Alan Wolfe, secretary; Scott Twery, treasurer; and Kenny Clark, sgt. at arms. Mr. Wayne Ayers served as advisor.

Cathy Jolley served as president of a club, The Ambassadors, that kept it's calender full throughout the year. A Halloween party for the children of Bethlehem Center, cakes for the faculty, sending autistic children to camp, a car wash, and helping with the Heart Fund were just a few of the activities that kept Ambassadors busy. They were also victorious in a brutal football game played with the Keyettes.

For this club the year began and ended in the same way. This was the ritual of screening applications and finally choosing the new members. Old members worked hard to select girls that would proudly carry on the club's name next year.

1. Could it be Interact members that these girls are chasing?

Organizing M.P. Directories Tops Interact Projects

Interact found a way to provide a service to the students and to obtain every girl at Myers Park's telephone number at the same time. They publish a student directory. This booklet could be purchased at a low cost by the student because of the hard work the club put forth in obtaining ads.

The club also played their yearly grudge match with Key Club. This year the score was 61-49 in their favor.

The end of the year brought the inductions of new members and the saying good-bye to old ones. Freedom Park was the site of the last group picnic.

1. Unable to pass up a bargain, Bryant Mitchell and Willie Cureton stop at the Interact table to purchase a student directory from David Crigler and Ned Rockacharlie.

2. Ed Young, Tom Garrett, John Powell, and Marty Wagner listen intently to upcoming plans at an Interact meeting.

Active Y-teens Clown Around For Profit On Hay Day

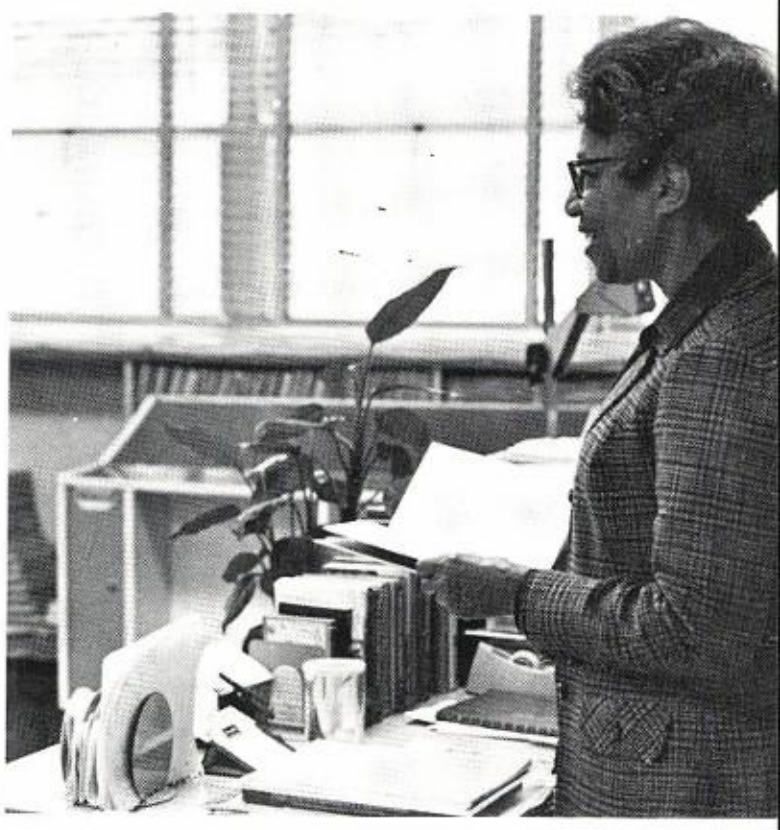
Y-teens has been involved in many activities this year. Their first meeting was a pot-luck dinner in the middle of September, and they've been going ever since. Being a service club, Y-teens has sponsored projects throughout Charlotte and here at Myers Park. At school, they've had a "painting day". They decorated a tree in Miss Helen Saleeby's room for Christmas and brought refreshments to the teachers during the semester break. They had a clothing drive for Crossnore School in November, along with painting clown faces for their booth at Hay Day. Members have also spent several of their Saturdays doing volunteer work at Memorial Hospital.

Y-teens have been valuable contributors to the community and the school.

1. Terry McClennan and fellow Y-teens prepare to make posters for another Y-teens service project for the benefit of the needy.

2. Janet Entwistle takes time to make up little clowns for the Y-teens Hay Day booth.

3. Y-teens come together at afternoon meetings to plan new projects and good times.



International Relations Greets MP's Exchange Students

Members of the International Relations Club have put in a lot of effort to make Myers Park's foreign exchange students feel at home. Some of their main events have been having covered-dish suppers featuring a different foreign food each time. Club members and exchange students have enjoyed the experience of getting to know each other.

In the fall, the group sold doughnuts to raise money for the American Field Service. This organization provides funds allowing foreign and American high school students to participate in the exchange program. Also, the club as a group sent carnations to our exchange students for Valentine's Day.

Mary Lou McMaster is club president, and Helen Woods is vice president. The secretary is Lisa Talley. Bennie Carroll is the treasurer. Their faculty advisor is Miss Annie Bowers.

1. College students from American Samoa perform native dance and music in an International Student Show given at Myers Park to raise money for the American Field Service.

2. Members of the International Relations Club meet after school to talk over club projects and future plans.

3. Officers of the International Relations Club: Mary Lou McMaster, president; Lisa Talley, secretary; Helen Woods, vice president; and Bennie Carroll, treasurer.

4. Miss Ann Bowers, sponsor of International Relations Club, looks pleased with the results of the club meeting.

If you ever got tired of watching the ballgame, you could let your eyes wander to the cheerleaders in front of the crowd. They were always there. Sometimes it was the Junior Varsity squad and at other times it was the Varsity girls. Both groups spent many after school hours practicing new cheers and chants in order to perform with ease and co-ordination.

The Varsity Cheerleaders were not only spirited but competitive as well. This year they entered the Carowinds Carolina Cheerleading Contest. They also participated in a contest against Harding, Olympic, Garringer, and Independance. Entering not only helped them improve their skills but in the second contest they came in first place.

1. Glenda Grate, Mary Lou Freeman, and Laura Mayfield put enthusiasm in their cheers in an effort to get the crowd cheering at a junior varsity football game.

2. V-I-C-T-O-R-Y was the cry of the varsity cheerleaders as they cheered at a soccer game.

3. Ann Hull and Jan Downs watch with anticipation as the 'Stangs attempt to make another basket.

4. Jan Rice's attention seems to be elsewhere as she hangs a spirit banner.

Beach Music and our Lettergirls—That's Entertainment

LETTERGIRLS: ROW ONE, Kim Ellwanger, Brenda Sink, (head) Nancy Kimbell, Jane Grote, Kathy Fox (co-head), Regina Ross. ROW TWO, Phyliss Ratliff, Nancy Grant, Carol Fry, Debbie Wells, Joanna Jones, Vanessa Cason.

With jeans rolled up and bobby socks rolled down, the Lettergirls got the basketball spectators in the mood for the post-game sock hop by dancing to the music of the Beach Boys. Throughout the year they pleased crowds with routines to popular songs such as 'Love Will Keep Us Together' and 'Love Rollercoaster'.

In the fall the girls accepted an invitation to entertain at N.C. State's Homecoming Parade. They spent part of May in Florida at Disney World. These trips were financed by helping the band in their money making projects.

Dazzeling crowds with their display of talent, the majorettes were a part of half time entertainment. These girls prove that years of training and practice does pay off. An example of their twirling ability was shown when they gave a performance using fire.

The majorettes accompanied the band to the Carrousel Parade, State's Homecoming, the UNCC parade, and Florida.

1. MAJORETTES: KNEELING, Kim Barr, Teresa DeBerry. STANDING, Tammy Toslosky, Donna Hinnant.

This year the Myers Park Symphonic Band received all superior ratings at the N.C. State Band Contest. This was the first time in 10 years that the Myers Park Symphonic Band received superior ratings. In November, the M.P. band marched in the Thanksgiving Parade. They were invited to march in a Parade for the UNCC Basketball Team.

For a vacation away from practice, the band went to Disney World in Florida. They raised money by selling candles, candy, cleaners, and had a pancake breakfast.

Many band members were selected to be in the N.C. All-State Band. Winter and Spring concerts were presented by the Symphonic and Concert bands.

1. Laura Medlin seems satisfied with the performance she has just given.

2. Band members are exhausted after a long trip to Asheville.

Once again Myers Park Orchestra Reigns Supreme in the achievements of fine music. A fan of Bach, Corelli, or Khachaturian you may not be; but the quality of music you hear from the orchestra will make you appreciate these great musicans. Under the direction of Mr. Spencer Mims this coordinated orchestra creates this marvelous effect for you.

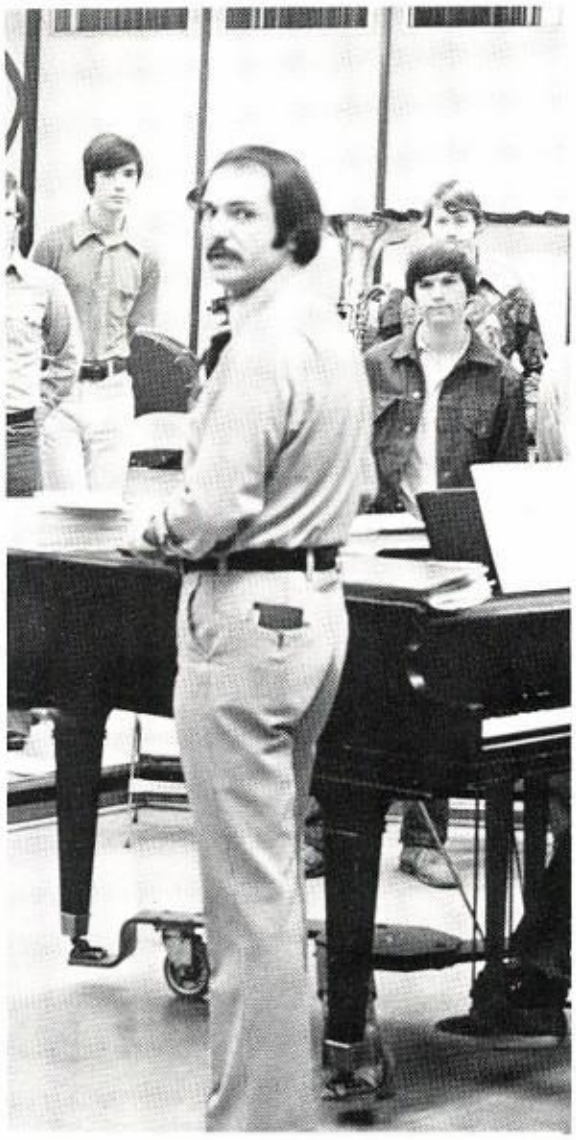
Months of the orchestra's intense practice have shown at several spring concerts and at the musicals, **Annie Get Your Gun.**

Several members have been honored by being in the All-State Orchestra and others have been invited to attend a workshop in Chapel Hill. Myers Park is fortunate indeed to have such a skilled orchestra which has been an award winner for twenty-five years.

1. Lavonne Beaver looks like she is enjoying the music.

2. You can tell by Mr. Spencer Mims' expression that some one has hit the wrong note.

Choir has Superior Rating At N. C. Choral Festival



1 2

Appearing very neat in their black robes and black gowns, the choir transforms tiny notes from confusing musical notation to beautiful songs.

However, few in the audience realize the group effort, as well as the individual output, required to achieve such a magificent performance.

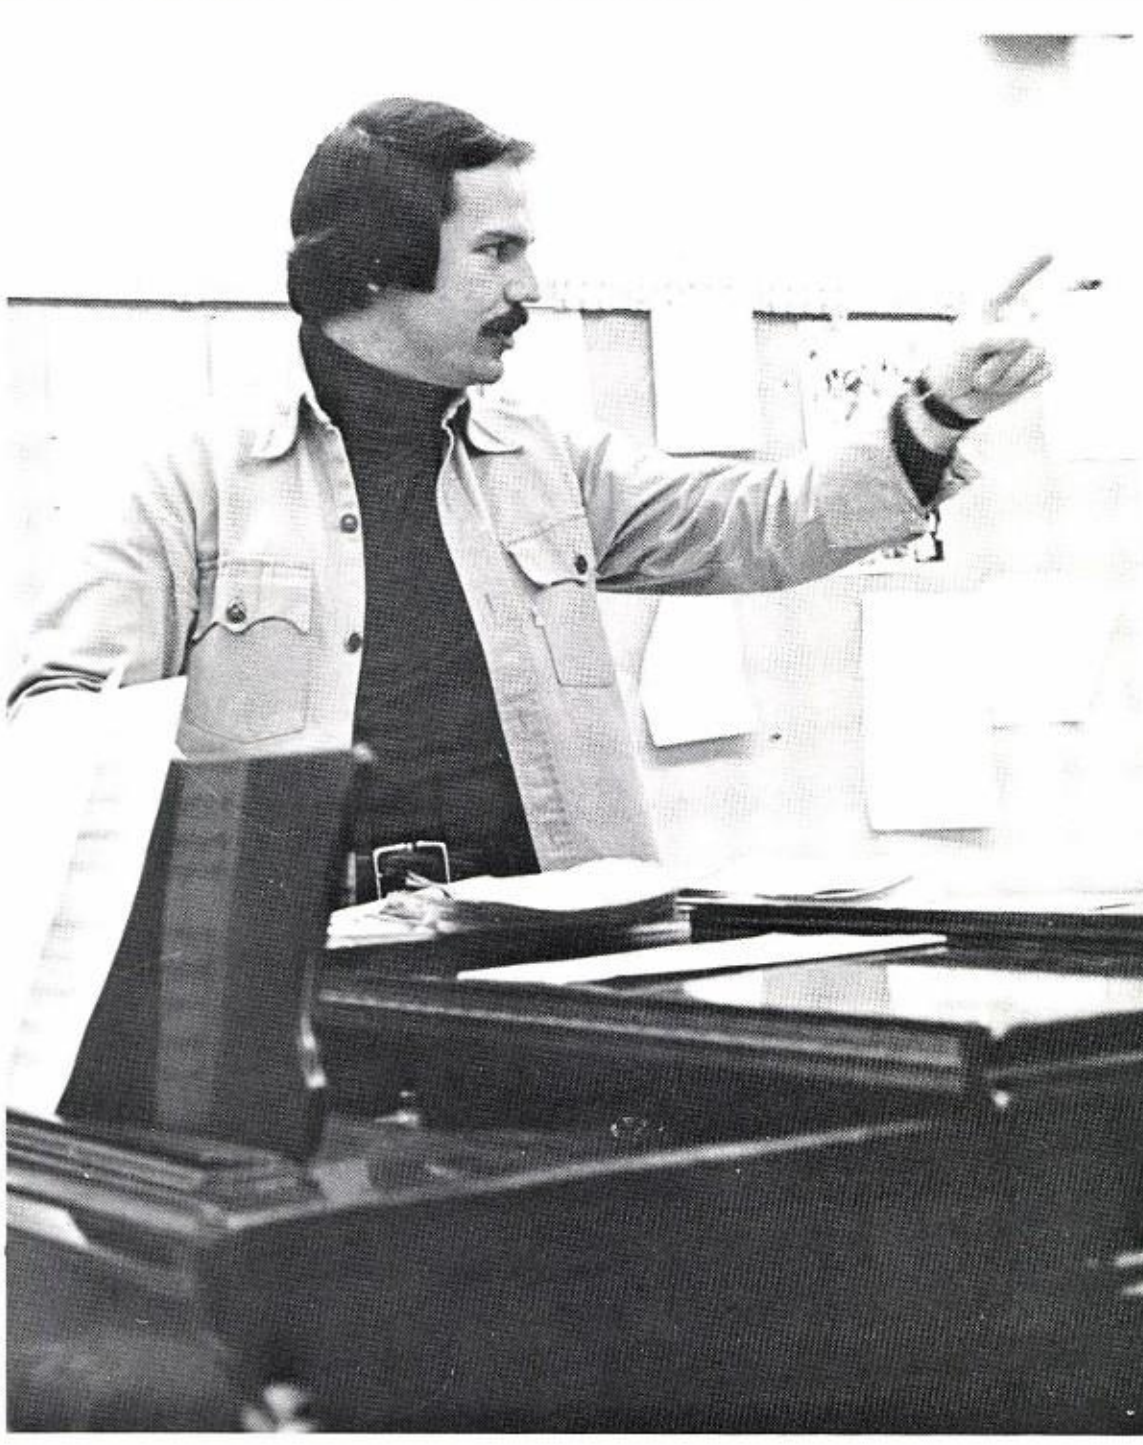
Choir members played an important role in the musical, **Annie Get Your Gun.** In addition to school performances, the choir accepts outside engagements from various churches and organizations. Our award-winning choir is one of the very best in the state, as is evidenced by its superior rating for many years. At the N.C. Choral Festival the choir received superior ratings for 1975-1976.

1. Mr. James Clark and Boys' Ensemble seem upset with the arrival of a photographer.

2. Steve Carter and Randy Presley make their own music during band practice.

3. Girls' Ensemble practice songs for a concert.

3



1. Members of the choir, Kathy Davison, Meg Harrington, Lynn Carlton, and Greg Selzer act out their parts in *Annie Get Your Gun.*

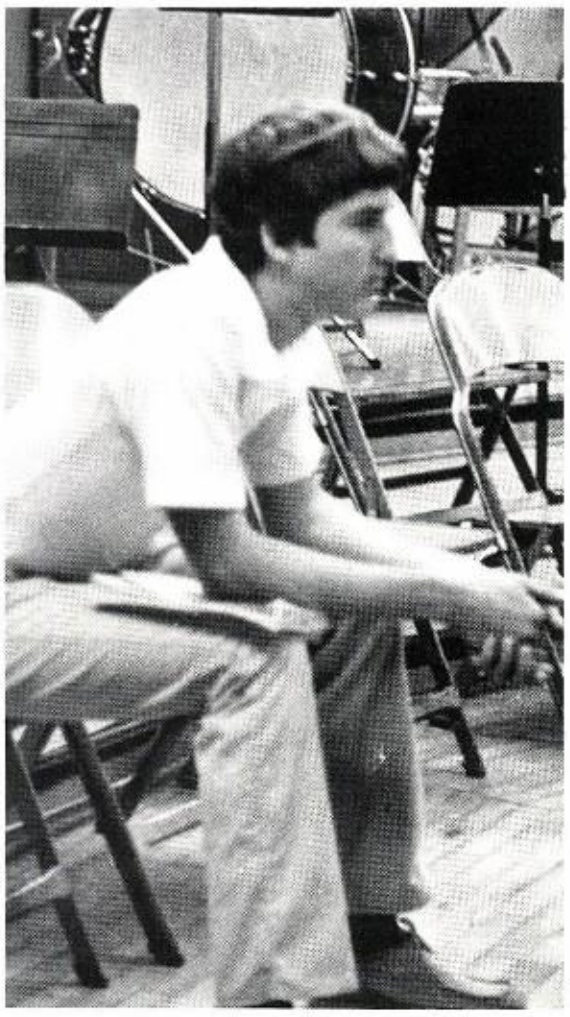
2. Mr. James Clark directs the choir.

Growth of M.M.M. Improves Music Department



1

Modern Music Masters is a national music honor society. There are chapters at high schools and colleges throughout the United States and several prominent American musicans have been members of the Modern Music Masters.

Early in the year, Modern Music Masters painted and repaired the music stands. In November, Modern Music Masters participated in the Myers Park Hay Day. At the North Carolina Choral Festival the Modern Music Masters Club ranked third out of 1,400 national chapters. Four members of the Modern Music Masters Club were honored in an issue of the School Musican Magazine. Laura Medlin, president of Modern Music Masters, and Jeanne Dayton were recognized as Master Musicians, while Cathy Carrier and Mary Lou McMaster earned superior ratings.

At two of their meetings, they had guest speaker performers: Irene Maddox, Doug James, and Fran Shafter. Their musical talent and knowledge added an extra touch to their Modern Music Masters chapter meetings.

'Stangs Have Best Season In Years!!

Coach Claude Savage relates the year. The Mustangs opened their season against Olympic and beat them 18-13 in surprising fashion. Olympic was favored to win but the defense and Alan Wolfe's 150 yards rushing proved too much for the big "O". Our second game really surprised everyone when the Mustangs beat South 7-3 almost shutting them out because they were favored to win the conference.

Going over to play West Charlotte was a nightmare because we fumbled over seven times and lost the game 27-zip. Trying to forget our loss to West Charlotte, we bounced back and beat West Meck 14-6; but the game was not really as close as the score.

Hey, if you missed the Garinger game you really missed something. It was a physical game and the 'Stangs won 14-6. The defense played superbly and Wolfe once again had a long run for a TD. We lost Wolfe in our game with Garinger and Trey Safrit started against Harding. He did a fantastic job throwing a 54 yd. TD to clinch the game and we're on our way to a fine season.

We beat Independence 18-6 the next week before losing a disastrous game 34-13 to East Mecklenburg almost knocking us out of the conference race. The 'Stangs played North next and Olympic, the last game of the season. In order to win the conference and gain a playoff birth we had to win our last two games. We played well in both games losing to North 14-6 and beating Olympic 20-0, giving Myers Park a 7-3 record the best in 10 years!

Mustangs Earn Sectional Tournament Championship by

1

2

Their reputation as "the spoiler of the conference" was upheld this year as the 1975 Mustang soccer team pulled off a surprise upset victory in the Sectional Tournament. With the Myers Park Invitational Tournament opening the season, the Mustangs got off to a slow start. Even though they finished fourth, the night matches drew large crowds, possibly prompted by the appearance of Coach Frank Ponce in his white shorts.

One impressive victory was the 1-0 defeat of Davidson College. Their 11-8 record gave Myers Park the sixth seed in the Sectional Tournament. In the first round they beat Northside Christian 2-1. Goalie Tripp Gabriel recorded a 1-0 shut-out as the Mustangs advanced against Independence. Strong, undefeated South was the opponent for the final match. Led by scores from Mel Brister and Jimmy Koutsakalis, Myers Park won the championship 2-1.

Ben Lippen crushed the Mustangs 7-0 in the first game of the Regional play. Coach Frank Ponce is given much credit by his players for the success of his team, having won two sectional titles in his two years of coaching.

Harriers Win First Place in Division

This year's Cross Country team improved tremendously over last year's team. They were undefeated in regular season, third in Conference and third in Sectionals. Being sixth in the State showed the willingness and the strength of the team. This year we placed two in All-Conference, Joe Radovanic and Paul Boyette, a Junior who should do great things for M.P. next year. Coach Richard Prince expects another great season next year with four outstanding Juniors and two Sophomores returning next year.

Successful as the 1975-76 basketball season was, it could also be described as disappointing. Although the Mustangs finished the season with a winning record of 14-9, there was some exceptional talent on the team which could have carried them into the play-offs.

Over the holidays, the varsity players celebrated early by winning the Independence Invitational Christmas Tournament. This was the first time ever that a Mecklenburg public and private school had met in basketball competition. A 63-58 win over the host Patriots gave the Mustangs the tournament crown.

Further tournament play proved not as rewarding. In the first round of the divisional play, the Mustangs ran into Harding, a team they had already beaten twice. They lost the game 80-65, ending any hopes of a championship for Coach Jim Hartman.

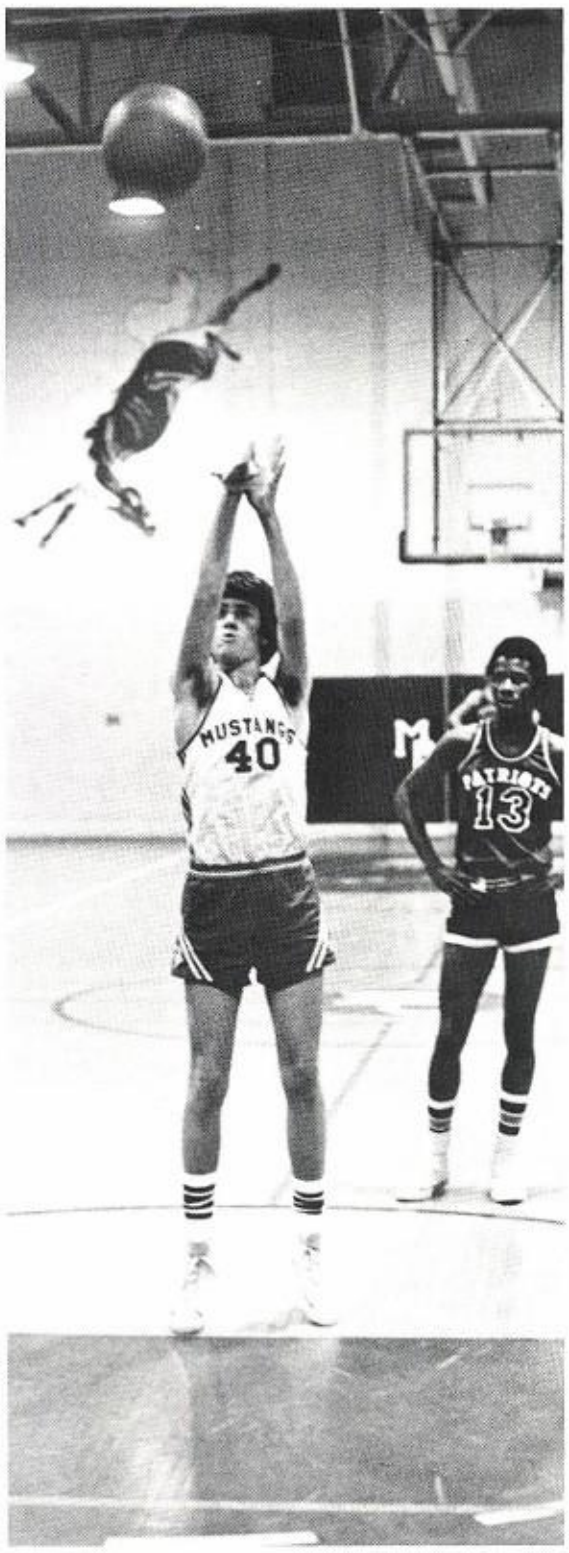
Myers Park JVs Claim City Championships



1

The Junior Varsity Basketball team this year was a very pleasant surprise. Playing without the services of one of the best sophomores in school, Henry Atkins, who played with the varsity, the team compiled a 15-6 record. The squad finished in a 3-way tie for first place and then proceeded to defeat North Mecklenburg for the Junior Varsity Championship.

The team maintained a balanced attack the entire season with different players coming through in crucial situations. DeDe Hemphill, Robert Moody and Quinton Berry did most of the ball carrying with Hemphill showing signs of real varsity stardom for the future. The wing positions were filled by Lyn Conger, Phil Rockecharlie and Thomas Mills. They provided consistent scoring all season and many last moment heroes. The post positions were manned by Tim Hassard and Ivan Diggs. Although oversized by most of their opponents they controlled the backboards and scored well all season. Ivan Diggs was voted the most valuable player by his teammates. Coach Wayne Ayers commented that he felt that as long as Hassard stayed out of foul trouble and in the game we always had a chance to win.

Myers Park Wrestlers Have Best Record In Charlotte-Mecklenburg; 11-1

The Myers Park wrestling team started a fantastic season by beating West Charlotte in their first match, 43 to 19. The rest of the season was continuous victories except for the team's one loss against Independence. The wrestlers worked out and continued strenuous practices every day. The team members worked out extra hours in order to keep their weight down as low as possible.

The Mustangs led by co-captains Scott Twery and Carson Cato, placed second in the Southwestern Conference. Out of the 79 matches in the Myers Park Invitational and the East Mecklenburg Invitational the team won a total of 41, placing fourth in both tournaments. In the Southwestern district meet the Mustangs carried on the winning tradition by placing fifth. Mike Hawks finished 1st in the 185 lb. class and Mel Brister finished 2nd at 112 lbs. Early wins over Harding, West Charlotte, and North Mecklenburg got the season started off right. North Mecklenburg was undefeated and in first place at the time the Mustangs handed them their loss. Another impressive victory was a 3-0 shutout over Olympic.

MP Trackmen Claim Many Bronze And Gold Medals

This year's Track Team showed great effort by placing 5th in the Conference. Outstanding players were Ron Johnson who won a gold medal in the triple jump and bronze medal winner and polevaulter Hap O'Hair. The Mustang trackmen, Coached by Mr. Richard Prince, placed 2nd in the Metrolina Relays—which they only lost by eight points—4th in the Sectionals, 6th in the Regionals and 9th in the State Meet.

In the Metrolina Relays no one could even guess what would happen, except Coach Prince and the Shuttle Relay team. David Smylie, Ron Johnson, Don Copeland, and Joey Carter skinned the shuttlers in a mere 54 seconds. This broke Myers Parks' previous record time of 54.6 set in 1975.

At the Queen City Relays Robert Medly jumped the city's best of 6 feet, 6 inches. David Hughes was close behind with a third in discus and a personal best of 50 feet, 2 inches. Hap O'Hair took first in the pole-vault with a jump of 13 feet. Ron Johnson took 2nd in the triple jump with a measurement of 45 feet, 9¾ inches.

Tracey Lyons is the Best Polevaulter in North Carolina with a vault of 14 feet, 3 inches. The 880 relay team is third in the State. Coach Prince has coached a very rewarding team this season.

GIRLS' SWIM TEAM: FROM LEFT TO RIGHT: Anna Jenkins, Karen McSpadden, Stuart Bumgardner, Kathy McSpadden.

Myers Park did not have a Girls' Swim Team until three Sophomore girls decided to get together and start one. Karen McSpadden, Stuart Bumgardner, and Kathy McSpadden said Myers Park should have a swim team and that they should compete in the North Carolina High School State Championship in Greensboro. They decided to ask Anna Jenkins, who was running track, to join the swim team.

The girls had been spending long hours at the Charlotte YMCA under the direction of Ken Hungate. These girls then talked Coach Richard Prince into submitting their entry form into the competition, after convincing Coach Prince that they had the ability and desire to make a showing. Coach Prince said that he would take them to the competition if he could fit it into his schedule. The day came and Coach Prince left for Greensboro with four excited girls who showed no signs of tension. These girls came back as State Champions and with proof that Myers Park can make it in another sport.

MP Tennis Team Ties For Second Place in State Meet

The '76 Tennis team had a fantastic season this year!! Defeating every team in the regular season. The team played East Mecklenburg for the regular season title and beat them 5-4. In the Sectional Tournament Lewis Coppedge and John Powell won the sectional doubles title, with Mark Dillon finishing second in the singles. This left the team tied for first place in the tournament. At the state meet in Chapel Hill, Mark Dillon, Lewis Coppedge, and John Powell reached the semi-finals. This year the Myers Park Mustangs once again proved their stronghold in golf. The season ended with the team winning all but one of the conference meets, winning the conference tournament, placing second in the Sectionals and making a tremendous achievement by placing fourth in the state.

Coach Gary Long relates the year: Before the season started, I didn't think we would have a team comparable to earlier ones—record wise. Since all the Charlotte teams are in the same leagues this year, we faced a tougher schedule than in years past. To further hamper us, we had only two returning players—Todd Smith and Freddy Collins. When South beat us the first match of the season, things looked rough. However, due to the hard work and dedication of Peter McMillan, Gordon McNeil and Chip Hunter, along with the returning lettermen, we came on strong and beat the rest of the teams in the conference. Other players, Marty Kreshon, Tommy Prim, and Chris Dowd, each had important rounds which contributed greatly to our winning season.

We tied with South for the Conference Championships, won the conference Tournament finished second in the Sectional against sixteen teams and finished fourth out of twenty-six teams in the State Tournament at Chapel Hill.

Notables at Chapel Hill were Todd Smith, who tied for second, and Freddy Collins, who finished sixth in a field of 144 golfers.

It was certainly rewarding working with guys who followed the Mustang winning tradition and were such gentlemen everywhere they went.

Jack Sink, Philip Hazelton Make All-County

Graduation hit the 1976 baseball team hard, with only three members of last year's team returning in the spring as seniors. This young team, which started six juniors, began the season well. For the first time ever, Myers Park beat Wilmington New Hanover on a spring training road trip. Returning to Charlotte, regular season play got under way. Coping with their inexperience and new varsity nervousness, the Mustangs impressingly won the first three conference games. At one point in the season, the Mustangs held the first place position.

However, the rest of the spring did not go as successfully. There were many tough losses in which the Mustangs played well but lost close, hard-fought games. In all, the baseball team lost four games by just one run each. Closing the season in good fashion was a defeat by a thirteen-point margin over Olympic. Next year promises to be better, as six of the nine starters will be back, along with some good reserves and jayvee players.

Leading the team in hitting was left fielder Jack Sink, who batted .378. Philip Hazelton was the second leading hitter. Both Jack and Philip were selected to The Charlotte Observer All-County Team. Jack was also a member of The Charlotte News squad. Second baseman Hazelton received the Most Valuable Player award at the Spring Sports Banquet. Most Improved went to first year pitcher Bill Lane.

JV Colts Try Hard, But End Up With 7-16 Season

This year's Junior Varsity Baseball Team finished this season winning seven games, losing nine and two forfeits.

The top performers were pitchers Marty Fox and Phil Rockecharlie. Catcher Butch Miller did a great job catching for the Colts. Clayton Carter, Benny Rumfelt and Eric Hayden were the basemen this year. The outfielders, Alvin Cureton, Jimmy Anthony, Carl Stowe and William Spann did the Mustangs proud this year. Coach Wayne Ayers coached a rewarding season for these up coming varsity players.

Fall Opening Brings Sea of Different Faces

The opening of each new year always ..nds many frightened sophomores, ju-..iors who feel they have finally grown ..p, and ready-to-get out seniors. As the seniors look at the sophomores, they find it hard to believe that they were ever that small, or that they were ever that concerned over a scrambled schedule.

The juniors look at the seniors and dream of the year to come when they will be senior "men" and "women". Sophomores have their first experience with Junior-Seniors, high school football games, and the beginning of some long lasting friendships.

Broadway Musical Numbers Highlight Show Biz '75

The nights of October 2 and 3 were special at Myers Park when the talent of the student body was shown through this year's Show Biz '75.

The senior follies were presented in a very different way this year. Instead of the regular follies, the senior talent was presented by bits and pieces of four popular broadway musicals. The four musicals used were **Pippin**, **Godspell**, **Sweet Charity**, and **Grease**.

The entertainment was anything from a tap dance by Jan Downs to a very sexy dance by the girls in **Sweet Charity** and **Godspell**. You could hear blips of comedy imitations of Paul Lynde by Tab Glenham.

Show Biz was Mr. Joe Chorba's first presentation of his newly acquired job as the drama director at Myers Park. He considered his "new adventure" exciting and the audience proved with applause that his time was spent well on Show Biz '75.

1. Jeanne Dayton, Laurie Polk, Betsy Barry, and Donna DeVita sing about the magic of Show Biz in a selection from *Pippin*.

The Homecoming Game for the 1975 year was scheduled for Friday night, October 17, but postponed until the 18th due to bad weather. As the roaring crowd cheered the Mustangs on, we came out with an outstanding victory. The final score of the game was Myers Park 18– Independence 6.

There was a different procedure for the choosing of queens this year as we had a carousel princess and two queens. The MP Homecoming queens were Kim Barr and Sarah Morrow. The Carousel Princess was Cathy Morse.

This year, the week before the Homecoming game had a new name, "Spirit Week". Every day of the week was composed of a different kind of spirit filled activity. It seems these activities were not in vain shown by the spirit generated at the game. These feelings were carried over to the dance held the same night in the cafeteria.

Hay Day Grosses Large Sum of $2,800

All who gathered on Myers Park campus November 8th, know what a success MUSTANG HAY DAY was. Mrs. Bill Scoggin and Mrs. Sarah Lewis contributed much of their time to help with the arrangement of HAY DAY. The outcome of the day was a large sum of $2,800.00. In spite of the threatening clouds, the spirit of excitement and enjoyable work triumphed. Some of the Charlotte Checkers joined the day in a pie throwing booth sponsored by the Lettergirls.

You could buy almost anything imaginable from fairground treats, such as cotton candy or a clown face, to a pot of plants. A ride on a horse's back was also available due to Myers Park students with horses. The day climaxed with the hilarious episode of the drifting Weiner King balloon, later to be found in the lake of the Myers Park Country Club. So, taking a final look at the day, HAY DAY was a total success.

Some of the sophomores find it very hard to believe that they have finally reached high school. They are full of questions, some of which seem extremely dumb to those of us who have been here long enough not to remember that at one time we were asking those same questions ourselves.

Big brothers and sisters were assigned to each of the sophomore homerooms and it became very apparent that the seniors were the ones that these people would look up to and follow as the year progressed.

Although at first all sophomores are afraid of the year to come, in no time at all, as they begin to become active in school happenings they find that Myers Park is not a place to be afraid of, but a place that they will come to love and in time never feel left out again. If you just make it through the first days, then you are home free.

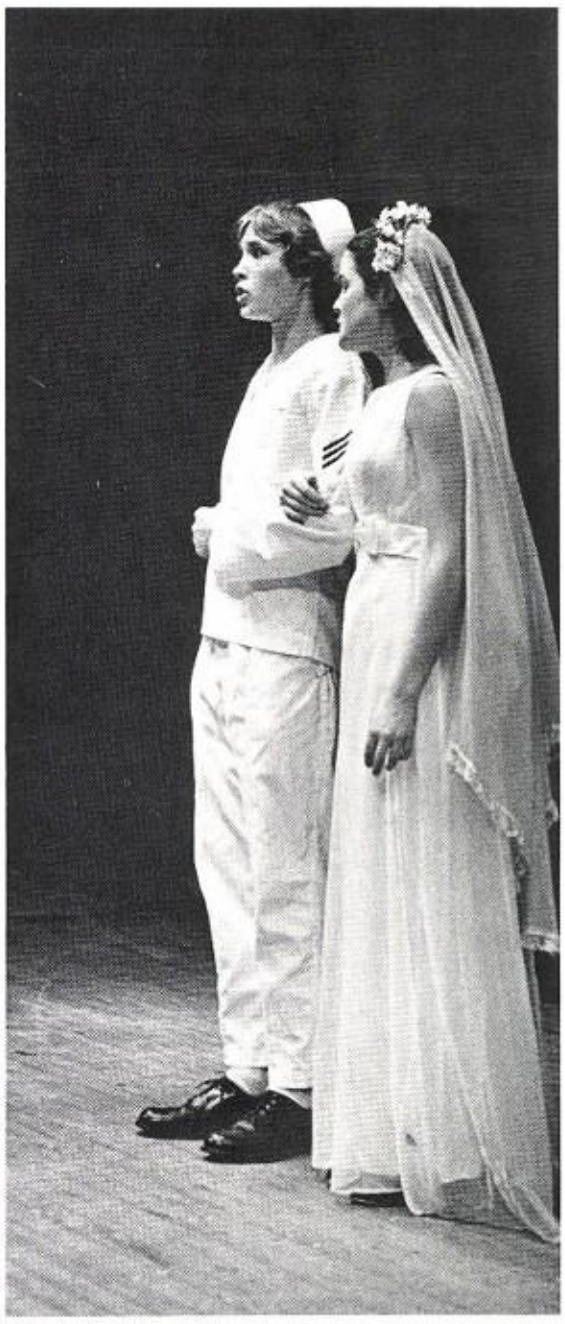
Ambassadors Defeat Keyettes in Sudden Death Overtime

1



2

After many hard practices, which resulted in some very sore girls, the annual Keyette-Ambassador football game took place on December 11. The fences around the stadium were filled with many curious spectators. A large majority of them were there to see just how tough the girl who sat in front of them in class, could be out in a serious game of football.

At one point in the game a touchdown was called back, due to a disagreement about the length of a few of the flags. But other than that everyone seemed in agreement about the rules of the game.

As the game ended the score was a tie. In a sudden death overtime the Ambassadors came out victorious with a one touchdown lead.

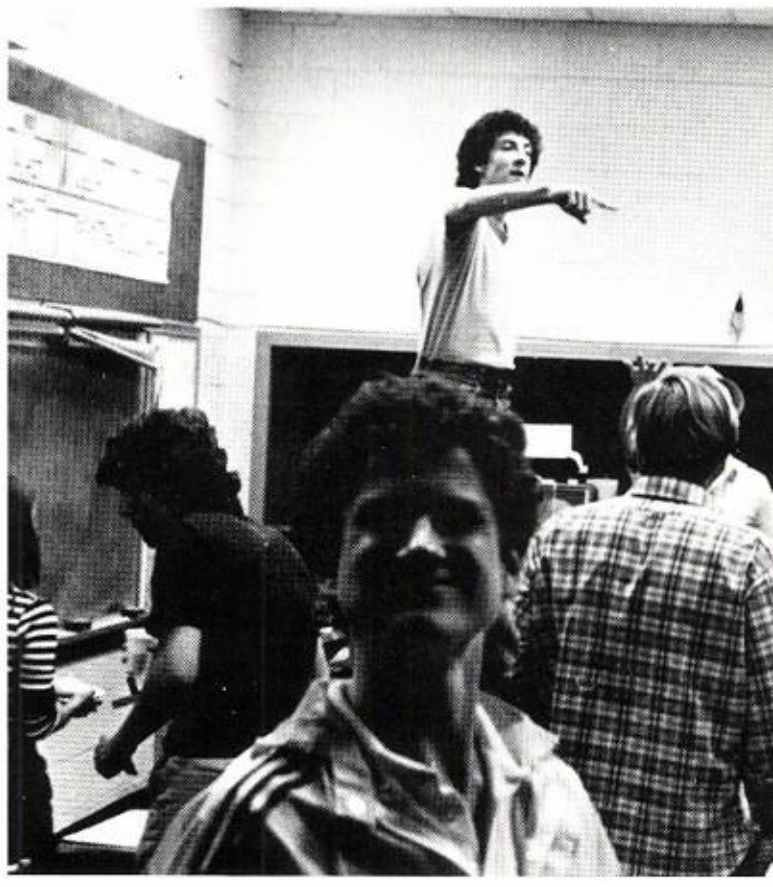
Anxious Seniors Wait For College Acceptance Letters



1 3

2

At the beginning of each year, when asked about future plans, about half of the seniors can tell you without even thinking, where they hope to go to school after they graduate. The other half, well, they have a little more trouble with that question. It seems that it wasn't until their senior year that it hit them that grades were important to colleges. As they begin to find out such minor details as class rank, SAT scores, and grade point averages, many seniors begin to worry which colleges will even consider accepting them, with two years of play behind them. In most cases even if first choice is way out of the picture, they can find some school that will let them slide in. As those acceptance letters begin to come in, you find many relaxed seniors.

1. Carol Smith throws a not very trusting look at the camera as she waits for the bell to ring.

2. Marsha Springs and Pam Brown practice child-care as taught to them by Mrs. Campbell.

3. Frasier Ives grins as he realizes that Ned Rockecharlie's attempts to organize the surprise party given by the Ambassadors, are not to be heard.

Newly-locked Gates Try to Eliminate Out-to-Lunchers

If last year at this time, someone had even suggested that Myers Park would be locked up in gates, no one would have believed it. But anyone who has driven by Myers Park in the last few months will notice (how could you help it) the large yellow gates at three of the four entrances. These gates were locked every morning at 8:15 and not opened again until after 5th period of about 1:30. The only entrance of the school that was opened all day was the office or Colony Road entrance.

On more than one occasion, the gates were not opened at 1:30, which caused traffic jams in all of the parking lots. Not only did this cause students to become furious, but also brought about many plans on how to "do away" with the gates, all of which were rejected. Many students of Myers Park who drove to school, left during lunch just to prove that it was still possible or that they were just "cool" kids.

Donkey Basketball Gives Hilarious Change From Regular Season Game

The donkey basketball game ended this year with the faculty victorious over the students. The plays in the game were as hilarious as any other year with anything happening from the donkeys taking a quick trip to the concession stand, to donkeys who appeared not to be able to move.

The top faculty player was Mr. Bill Williams who scored most of the faculty points. The student player who spent the most time on the floor was Marianne Reuss, who could not seem to keep from falling over the donkeys' head.

Some of the donkeys had to be helped along by their trainer with a quick slap on the rear which made them race to the other end of the court, usually leaving the rider seeing stars at the other end of the court.

Juniors Work Hard in Their Attempt to Make Jr-Sr

1

The 1976 Junior Senior prom was a beautiful scene this year with "The Old South" as its theme. The junior and sophomore attendants were dressed as southern belles to set the atmosphere of the civil war period. The swings covered with flowers, and the back drop for pictures also set the scene perfectly. The picture back drop was of the grounds of a large southern plantation.

As in every other year, there was mixed opinions about the band, who was "The Magnificent Singers". But as usual, you can never please everyone in a crowd of people with so many different tastes of music.

The junior class sold "Holly Helper" detergent to raise money for the Junior Senior prom. The money that was raised seemed to cover the cost of refreshments, a band, and the luxury of air conditioning.

1. The band for the 1976 Jr.-Sr., dressed in flashy jumpsuits, was the *Magnificent Singers.*

2. Tracy Ferguson and Steve Baxter sit quietly as they wait for the band to return from a break.

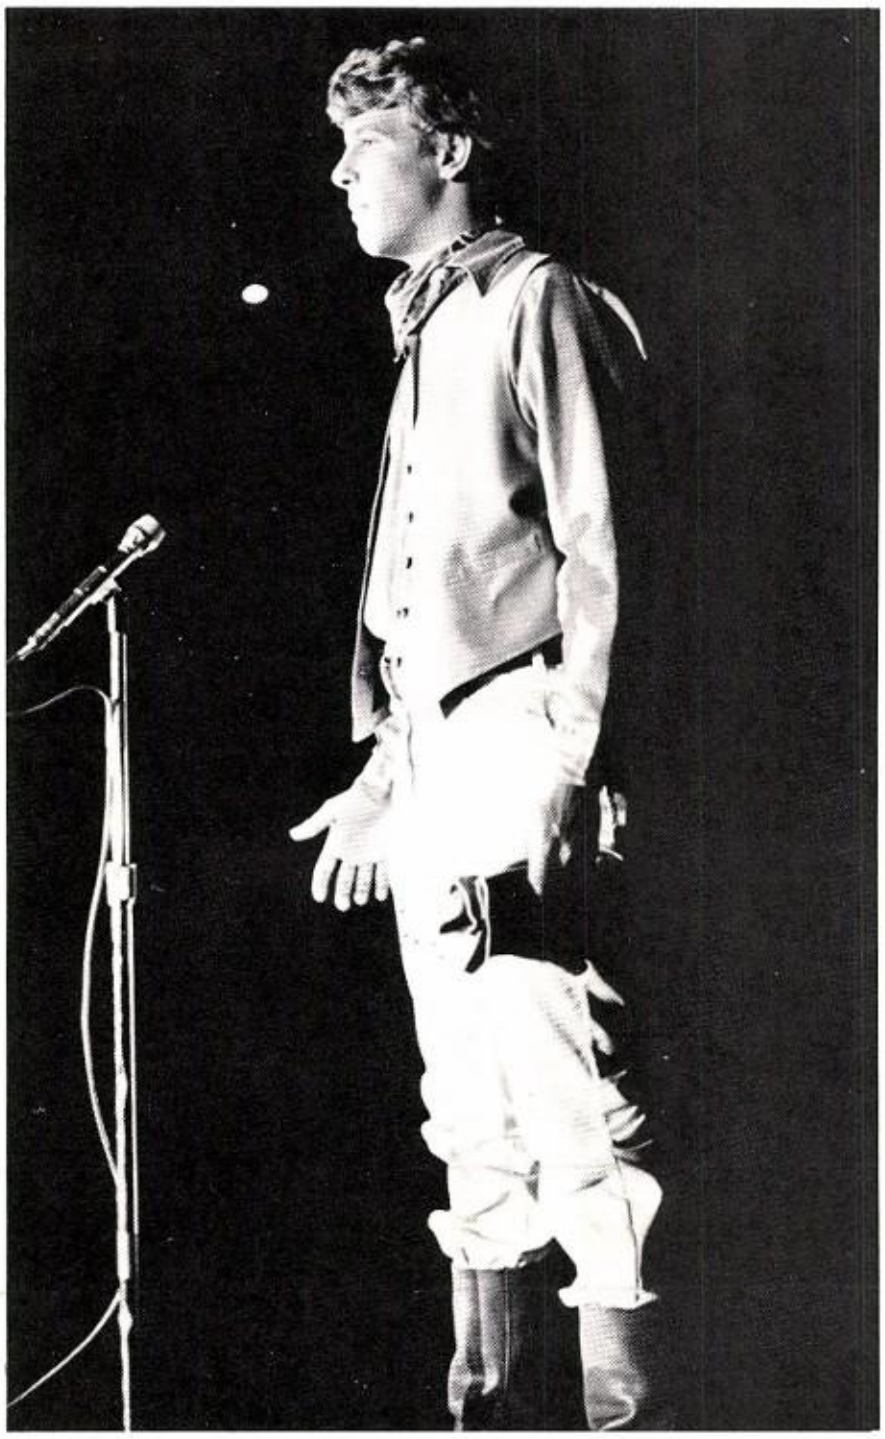
Musical Shows The Fate of Two Fine Sharp Shooters



1 2

1. Annie Oakley, played by Kathy Davison, sings of the dilemma of being a star sharp shooter in the hit musical "Annie Get Your Gun."

2. Frank Butler, played by Bill Verch, doesn't seem to know what his next move should be as he realizes he is in love with Annie Oakley.

3. The final song of "Annie Get Your Gun" finds many people sad that it is over.

Kathy Davison and Bill Verch were the leads in Annie Get Your Gun as sharpshooters who fell in love. Kathy Davison, who played Annie, was discovered by accident that she was a great marksman. When put up against the charming champion, Frank Butler, who was played by Bill Verch, she made him "lose face" with all who were watching by beating him in the match. She soon fell in love with him and used her woman's intuition by letting him beat her in the next match in front of a large crowd of spectators.

Mr. Joe Chorba, Mr. Jim Clark, and Mr. Spencer Mims did a wonderful job getting the show together. It was Mr. Joe Chorba's first high school musical, and he did an extraordinarily good job. The choral and orchestral parts of the show also deserve much credit.

There were also behind the scene people such as Mr. Bill Williams and Mr. Vernon Booth who did a wonderful job on sets with the help of enthusiastic students. Mrs. Florence Sawyer did well with costumes for the actors and actresses.

All three nights of the show there was a full or near-full house. The audience was very patient when the lines were forgotten or the guns would not go off at the designated times. With all things considered, Myers Park put on a very good musical of Annie Get Your Gun.

1. Kathy Davison explains how country folks "do what comes naturally."

2. Doug Cook and Bill Verch are in disagreement about the fact that Annie will co-star in the next show.

3. Mark Kearse, Curtis Harwell, and David Huffstetler show beautiful harmony in the Moonshine Lullaby.

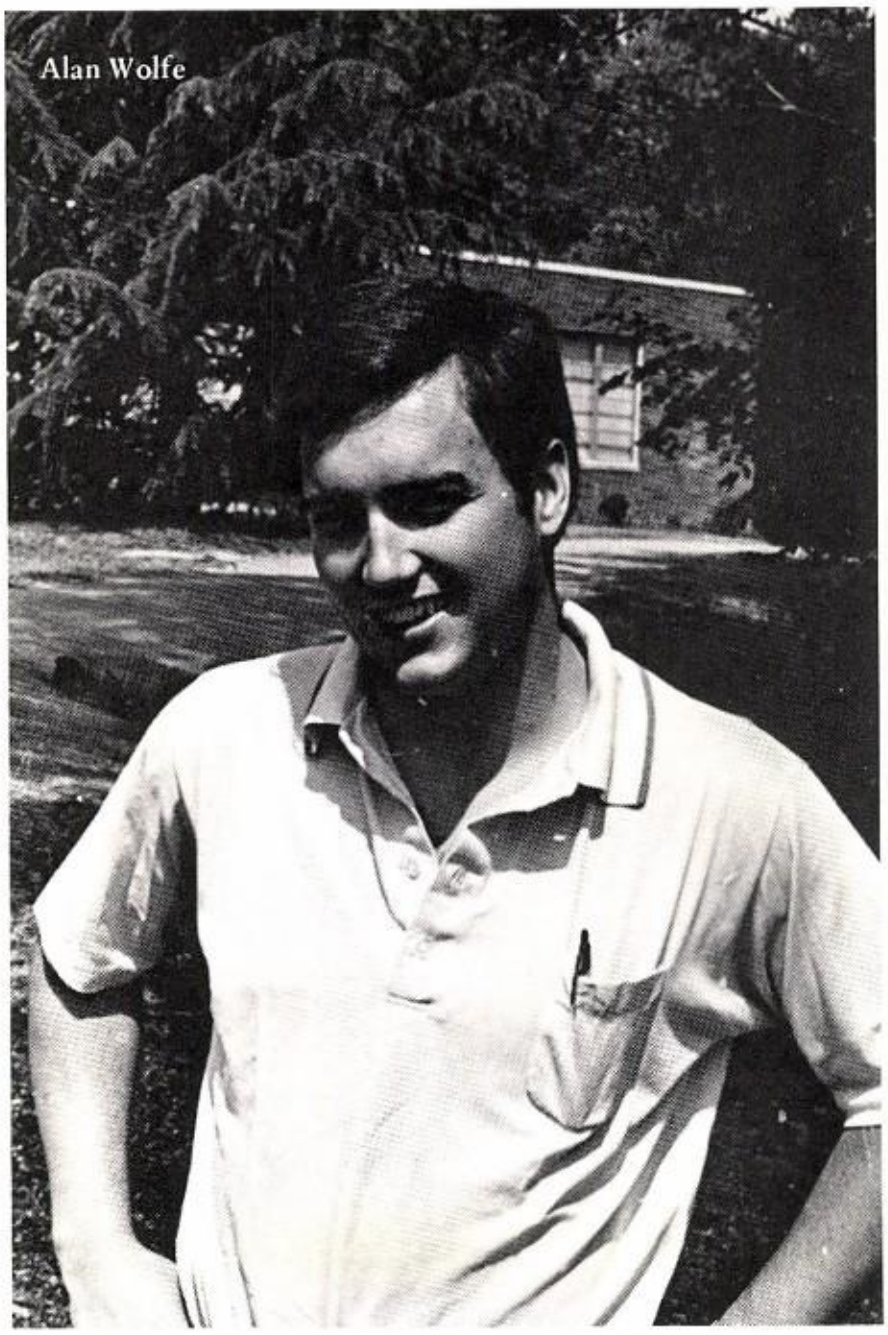
Outstanding Seniors Are Honored by Horner Awards

Brenda Sink



Alan Wolfe

The Horner Awards were started in 1960 in honor of Dr. Jack Horner, who served as principal of Myers Park for five years. These awards are for seniors, selected by their classmates, who have shown through their years at Myers Park, outstanding leadership, school spirit, character, and dependability.

Each year the number of students to receive these awards varies but the qualifications remain the same. This year, twenty-two seniors received Horner Awards, which were presented at the Senior Banquet.

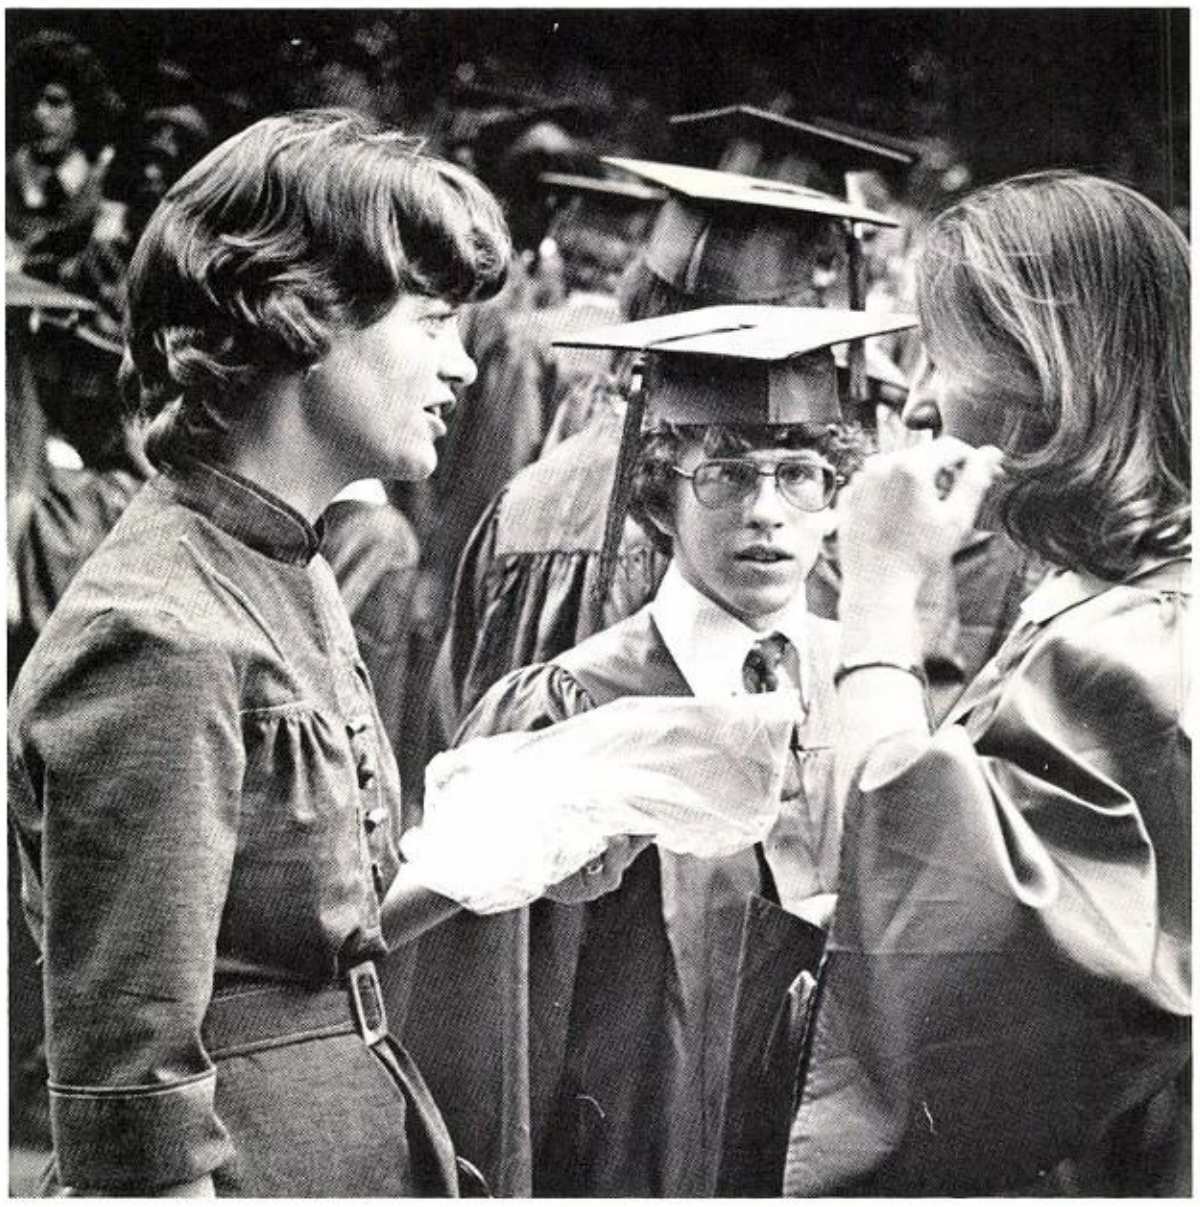
Graduating Seniors End Final Year With a Diploma

This year has been a year of endings for seniors, the final football game, last high school exam, and the last Junior Senior prom. We have learned through our many relationships about the different kinds of people, what they think and how they act. How we use this knowledge will have a great impact on the rest of our lives.

It is hard to believe that this year is over, and more than that, that seniors will never walk on the MP campus again as students. But, I am sure that every senior will hold enough fond memories of Myers Park to last a lifetime.

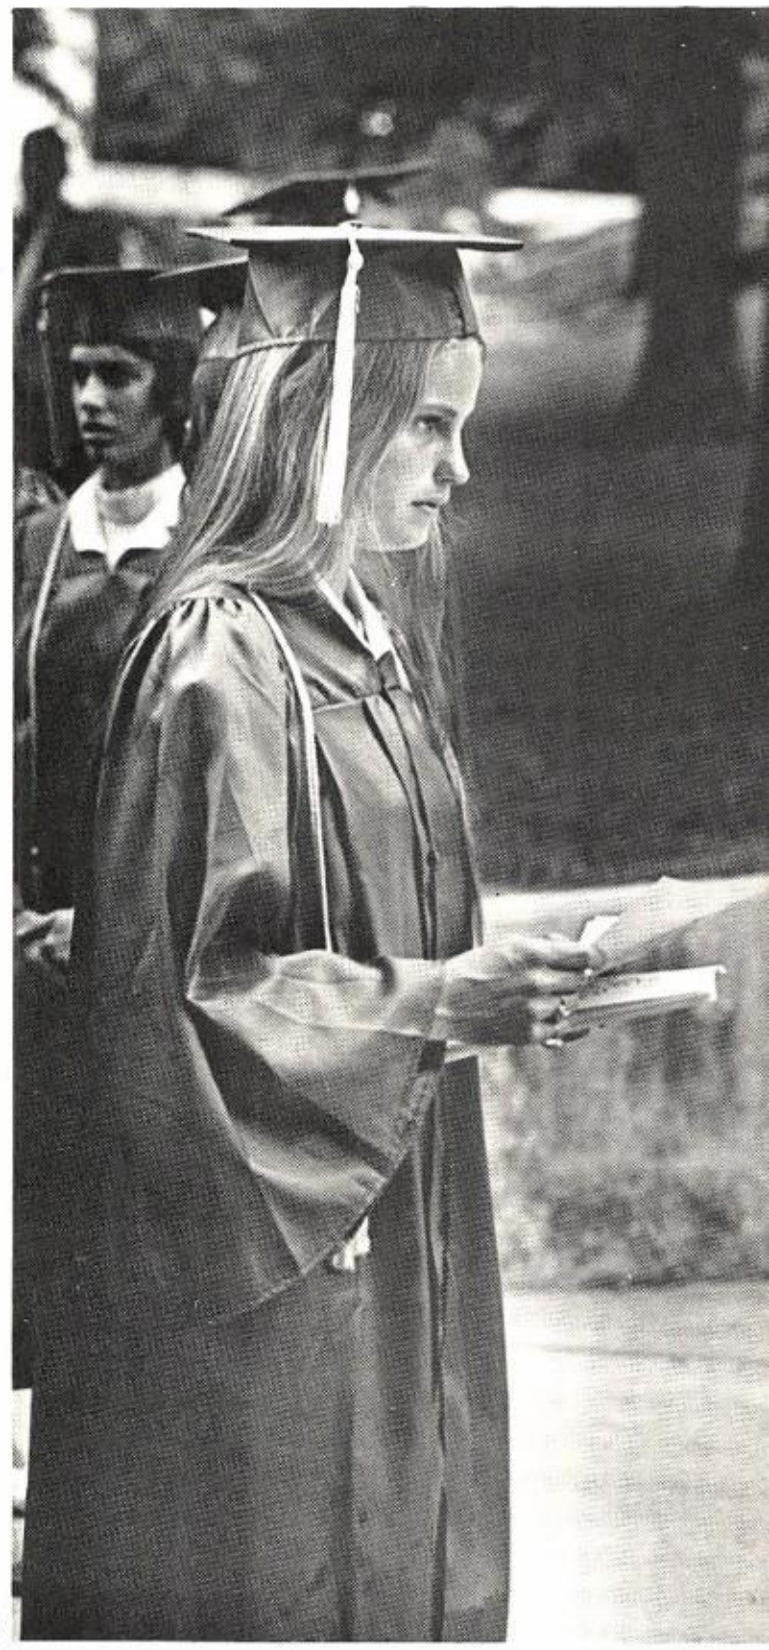


1. Lee Whitfield does not seem to believe that Suzie Zuerner is telling them the right way to line up to march.

2. Lutricia Mayhew is ready and waiting for the graduation exercise to begin.

3. Mrs. Ann Partin gives last minute instructions to her senior homeroom.

1



3

2

1. Jeanne Dayton is presented with the choir award which was well deserved.

2. Miss Ethel Whitley smiles as she gives graduates words of encouragement before they march.

3. Lindsey Linker rehearses her speech for the upcoming ceremony.

Every man has his dreams and every man has his goals. One person's goals may not be right for another. You are at a point in your life where you must set your goals. You must decide whether or not you want to make something of your life. You must decide what you want of your life. Make something that is you and not someone else. You must expand your present dreams and aspirations to include your life after high school.
